Refrigeratori bibite “Opera” “Opera” refrigerated juice dispensers

Modelli innovativi ed eleganti, adatti alla distribuzione di bevande non gassate come succhi di frutta, té ecc... L'inserimento diretto del prodotto confezionato elimina il contatto tra prodotto e dispenser. La bevanda rimane inalterata per molto tempo e le operazioni di pulizia si svolgono semplici e veloci. Una volta finita la bevanda, il contenitore può essere cambiato in modo semplice e veloce.

The elegant and innovative Opera models are ideal for cooling and dispensing non-carbonated beverages, such as fruit juices, tea, etc. The bag-in-box dispensing Premix system serves beverages "ready to drink" from sealed packages. Being no contact between product and the dispenser, a perfect hygiene is ensured and the quality of beverage remains unchanged for long time. Cleaning operations of the dispenser are very easy and quick. Drink package can be easily replaced.
